## Detailed images

**Packaging material: PE bag+foam+carton,to keep products anti-shock**

**Brushless motor:** Low interference, low noise, smooth operation, long life, low maintenance costs.

**Aluminum 6061 frame:** Good corrosion resistance, high toughness, not deformed, easy color film.

**Rich experience of export:** 14 years of experience in the electric vehicle industry.

**Financial support:** Jointly established by Jiangxi Hongdu Group and Changzhou Yucheng Group.

## Company Information

Established in 2001, we are the manufacturer specialized in electric bicycles, electric motorcycles, electric tricycles and four wheel electric Vehicles.

Besides of assembling, we also manufacture **motor and harness**.

Most of our products can comply with international quality standards and are greatly meeting in a variety of markets around the world . For example, we have **EN15194 European certificate, CE certificate and DOT certificate**. These certificates ensure us can enter into any country.

## Our After-sale Services

order value is

\$50,000 , we can offer you spare parts of \$500 value for free,you can choose any spare parts from our list,but

generally we advise clients to choose more electric spare parts, because compared to other parts,they have more chances to break down.

2.Warranty parts: a. Frame 1 year

b. Front fork 1 year

c.Controller 1 year

d.Lithium battery 1 year

e. Motor 1 year
